Bericht van Grandmother Clara of the Council of the 13 Indigenous Grandmothers

GLOBAL SISTERHOOD

Dear Sisters,

You are invited to a much-needed prayer circle with Grandmother Clara of the Council of the 13 Indigenous Grandmothers [this Thursday at 5 P.M ET!](#)

Why?

Because our world is at war.

And it's time to heal.

In the news, we are hearing about what is taking place between Israel and Palestine, but many more places are engaging in armed conflict. Africa, South America, the Middle East, and Europe...and we all know the United States isn't innocent in all of this.

When will we learn that war isn't worth it?

When we seek revenge, the victim becomes the perpetrator, and then the perpetrator becomes the victim, and on and on again for generations.

When we seek to take advantage of other people who are in a moment of trauma for personal greed or gain, the karma we carry is heavy.

It's heartbreaking how confused and hurt our humanity is, but that's why it's time we come together as women to remember who we are and pray.

If you are someone who doesn't pray with much devotion or has trauma from a dogmatic institution, then you will likely doubt the power of prayer.

While I understand your doubts, sister, I want to be real with you.

Doubting the power of prayer is doubting who you truly are as a child of the divine.

When you doubt your ability to speak and connect with the divine, you are cutting yourself off from the very power within you that can transform you and create magic through you.

I can tell you from my personal experience that prayer saved my life, and I have seen it save other's lives.

I have seen miracles, but someone in my life who has seen even more miracles is Grandmother Clara Irua of the International Council of the 13 Indigenous Grandmothers.

She is a spiritual medium, healer, and humble woman who lives in the Amazon Rainforest.

She is the teacher in my life who has made the most impact on me.

I have had the great gift of hosting her in my home for the last two week, and with everything going on she has called for this very important prayer circle with the women of the Global Sisterhood.

Join us Thursday at 5 pm EST for a prayer circle open to everyone no matter who you pray to or what you believe in.

Sisters,

Let's ask ourselves:

Why are we at war?

Why are we destroying the earth?

Why are we so disconnected that we can do this?

It's because we've lost connection with our greater truth as humans.

We need to remember who we are.

We are children of the Creator - of God Mother and God Father.

The Earth is our Mother, and we must always seek to remember who we are.

The illusions of this world condition us to forget, but we will not forget. We will rise.

But how do we rise?

It's through the power of prayer.

It doesn't matter what form of prayer you are connected to...

Our prayers have within them spiritual power, and when we engage in spiritual activism of prayer and charity of spirit...

Not only do we support other souls, we heal ourselves.

We remember ourselves, our power, and our truth.

This is how the world heals, and it will be the women who lead the way.

Join us on Thursday at 5pm EST
